

**REMARKS**

Claim 4 has been amended, Claims 1-3 have been cancelled, new claims 5-7 have been added. Thus, claims 4-7 are pending in this application. Since the amendment to claim 4 has been made to make a limitation in the claim clear, the amendment does not narrow claim 4. Should any fee be needed, please charge it to our Account No. 50-0945 and notify us accordingly.

It is noted that this Amendment has been prepared using the requested new format. If there are any irregularities in this format, it would be greatly appreciated if Applicant's Counsel would be so advised

Examination of the amended application is respectfully requested.

Respectfully submitted,

## **DRAWING AMENDMENT**

During the prosecution of the parent application (09/782,153, filed 2/14/01), Figs. 6A-6D and Figs. 7A-7D are objected because these drawings are not designated by a legend such as -- Prior Art--. Therefore, Figs. 6A-6D and Figs. 7A-7D have been amended to be designated by the legend, and a "Submission Proposed Red marked Drawings with formal simultaneously" including three (3) attached sheets, which are the corrected red marked drawings (Figs. 6A-6D and Figs.7A-7D), and three (3) attached sheets, which are the corrected formal drawings (Figs. 6A-6D and Figs.7A-7D), are submitted together with this response.

Corrected drawings filed in parent application, which are identical with the corrected formal drawings, had been approved by the examiner so that the correct drawings are attached hereto with the red-mark drawings.
